Supplies

Stringing Wire, 30"
 Silver Lobster Clasp, 1 pc.
 Silver Jump Ring 6mm, 1 pc.
 Silver Jump Ring 4mm, 1 pc.
 Silver Crimp Beads, 2 pcs.
 Silver Headpins, 3pcs.

Instructions:

Step 1: Make the flower pot. String all three headpins through the 5727 18mm Jet Fish Bead so the flat side of the headpin is at the "head" of the fish.

Step 2: On one headpin, string four 5328 3mm Palace Green Opal XILION Bicone Beads and one 5020 8mm Siam Helix Bead. Turn a small loop at the top to secure the headpin and cut off the remaining wire.
 On a second headpin, string five 5328 3mm Palace Green Opal XILION Bicone Beads and one 5020 6mm Siam Helix Bead. Turn a small loop at the top of the headpin.
 On last headpin, string six 5328 3mm Palace Green Opal XILION Bicone Beads and one 5020 6mm Siam Helix Bead. Turn a small loop at the top of the headpin.

Step 3: String one end of the wire through a crimp bead, then through the 6mm jump ring and back through the crimp bead. Crimp the bead to secure.

Step 4: String on sixty-three 5328 4mm Black Diamond XILION Bicone Beads, the 4mm jump ring and sixty-three more 5328 4mm Black Diamond XILION Bicone Beads.

Step 5: String on a crimp bead. String the wire through the loop at the bottom of the lobster clasp and then back through the crimp bead. Pull the wire to take up any remaining slack in the wire (do not pull too tight - beads should drape easily). Crimp the crimp bead to secure. String remaining wire back through a few beads on both sides and cut off remaining wire.

Step 6: Open the 4mm jump ring in the center of the necklace and attach the flower pot to it by the loop on the headpin of the center flower.
